Local Gossip

Fifteen pupils will graduate from
the Graded School this term.

The spell of delightful weather was
cut short Monday night by a very heavy
frost. Considerable damage is reported
to be present.

U. C. D.

The U. C. D., will meet with Mrs.
Jas. A. Ryston next Monday after-
noon, and all members are requested
to be present.

Local fishermen have been trying
their luck at the ponds, the river being
out of its usual spring. Angling in a
pond is very much like fishing in a
washing tub.

Bro. Tinder Conducting Meeting.

Bro. Tinder is conducting a pro-
tracted meeting at Ghent, Ky., there
will be no preaching at the Chris-
tian church next Sunday morning or even-
ing. There will be no preaching at
Antioch, either.

The Majestic Mfg. Co., of St. Louis
Mo., have a man at Mount & Elkin's
store this week showing the Majestic
Range in actual operation, baking and
serving biscuits to the large crowds.

Mr. Jacob Joseph, one of the best
men in the world, was re-elected as
trustee of the Graded School Saturday.
He had no opposition, and should have
had none. If all citizens were as honest
and upright as "Jake," this would be
a happy world.

Notice to Teachers.

Examinations for certificates for
white teachers will be held at my office
the third Friday and Saturday in May,
and examinations for colored teachers
will be held on the fourth Friday and
Saturday. Mittie A. Dunn, Supt.

Get The Best.

When you buy flowers, of course you
want the best. I represent the best
house in this section of the country,
and for promptness, price and general
satisfaction, can certainly please you.
Let me order a box of flowers for you,
and prove my claims. I appreciate
your kindness. Arthur Joseph, phone
at Joseph Mercantile Co.

Fine Speaker Coming.

Through the efforts of Prof. Mannix,
Dr. F. W. Hitt, president of Central
University, will deliver a lecture
at the Presbyterian church, in
this city, Friday evening, the 11th, at
7:30 o'clock, subject, educational
topics. Dr. Hitt, who is one of the
most prominent ministers in the United
States, is a speaker of rare ability
and our people are looking forward to
his coming with great pleasure.

Lancaster is certainly a "dry" town.
We heard one fellow (who ought to
know) say it is impossible to buy a
drink in the town limits. This only
goes to prove what can be accomplish-
ed when a determined fight is made.

Grocery Store Sold.

Mr. D. D. Geiger, who has been in the
grocery business in Lancaster for sev-
eral years, has sold the stock to Mr.
Stephen A. Walker who will continue
the business in the same stand. Mr.
Geiger has made many friends during
his stay in this city, and we regret to
note his intention of leaving. Mr. Wal-
ker is a splendid young man and there
is no doubt of his success.

An Apology.

We beg our subscribers to indulge us
for lack of reading matter this and re-
cent issues. The advertisers are taking
the lion's share of our space, as this is
the season for it. It is our desire to
change the entire make up of The
Record soon, as the business men have
awakened to the fact that they must
advertise if they want business. It
costs a big bunch of money to make a
change in a paper, but we hope to be
able to add four more pages ere many
unions wax and wane.

Closing of Colored School.

The Lancaster colored school has
just closed one of its most successful
years, and the exercises were quite in-
teresting. Prof. H. E. Murrell is not
only a fine teacher, but a good citizen.
By the way, the colored school house,
which burned some time ago has never
been rebuilt, for reason that funds
could not be raised. Here is a chance
for the white people to do a good turn
by assisting in the rebuilding of the
house. The school was taught in
cramped quarters this year, and if a
better building could be had, many
more pupils could be handled. There
is a growing disposition among the
colored people to obtain an education,
and they should be given all encourage-
ment.

Picnic at Mt. Olivet.

In our notice of the picnic to be
given at Mt. Olivet, an error in the
date was made. It should have been
May 20th instead of 26th. Mr. Fanning,
the Irish orator of great fame, will be
present and make a speech. The picnic
is given under the auspices of the Pro-
hibition Alliance, and everybody is
cordially invited to be there. Dinner
on the ground.

Logan.

After a protracted illness, Mr. Timo-
thy Logan died at the family residence
near Teatersville, last Friday morning.
Mr. Logan was born and raised in Gar-
rard county, and was a man of all the
qualifications which go to make up
the true, Christian citizen. He was a
life long member of the Baptist church,
and as long as able to get about was a
constant attendant at the services. He
leaves three children, John M., Robert
and Hugh T. Logan, two of whom have
been in business in Lancaster most all
their lives, the other residing in Dan-
ville. Mr. Logan was well-known by
nearly every one in the county, and
Garrard never had a citizen who was
more highly respected. He was in his
86th year. Rev. C. S. Ellis conducted
services at the home Saturday after-
noon, the burial taking place at the
Lancaster Cemetery.

Policeman Sworn In.

Policeman Heron was sworn in Mon-
day night and entered upon his duties.
The Harrodsburg Herald says:—Ex-
Policeman Luther Heron, of this city
was elected policeman at Lancaster
Tuesday by the council of that city.
Last week Policeman Pollard, of Lan-
caster, was slain by a man whom he
was endeavoring to arrest on a charge
of illegal whiskey selling. Determined
to suppress the traffic at all hazards
the council met and knowing Mr. Heron
by reputation and believing him to be
the man they were looking for, they
communicated with him by
phone and invited him over. He
went and the city council met. In ex-
traordinary session and unanimously
elected him policeman. We warn
blind tiger people and all other classes
of evil doers that they had better keep
an eye to the windward when he is
around or goes after them.

Closing Exercises.

The closing exercises of the Graded
Schools will begin Monday, and the
following is the program.

Tuesday morning, examination in
mathematics. Afternoon, interme-
diate grade exercises.

Wednesday morning, examination in
science and history.

Wednesday afternoon, preparation
for class day.

Thursday morning, examination in
geography and literature. Afternoon,
class day exercises, at 2:15 o'clock.

Friday morning, giving of cards and
grading. Afternoon, final dismissal.
Sunday evening, at 7:45 o'clock,
Baccalaureate sermon at Methodist
church. Sermon by Dr. C. F. Evans, of
Carlisle. Tuesday evening, May 20,
annual commencement exercises at
8:30 o'clock at Christian church. The
public is cordially invited to visit the
school and witness the exercises.
Music for each entertainment will be
furnished by Mrs. Belle Burdette's pu-
pils.

IMPORTANT NOTICE.

In pursuance to orders from the City
Council, all dogs upon which the tax
is not paid by Monday, May 14th, will
be killed. The tax is one dollar a year
upon each dog. Jas. A. Beazley,
Chief of Police.

To the Voters of Garrard County.

It seems to me to be a little prema-
ture to announce myself as a candidate
for the office of county clerk for Gar-
rard county, as said election is not
held until November, 1909, but as other
candidates have announced, and are in
the field, it is but justice to me that I
let my friends know throughout the
county that I am a candidate to suc-
ceed myself as clerk of the Garrard
County Court. I am very thankful
for the support and confidence which
the Democrats of Garrard county have
imposed in me, and will endeavor to
the best of my ability to be faithful to
the trust placed in my charge. I am a
candidate for re-election to said office
subject to the Democratic party, and
hope the Democrats of Garrard county
will stand by me in the future as they
have in the past, and I will endeavor
to repay them by a faithful perfor-
mance of my duties as said clerk. My
son, John L. Doty, will be my deputy.
J. A. Doty.

Additional Personal Mention.

Dr. H. C. Grant is again with his moth-
er, Mrs. Emma Grant.

Miss Margaret Kimbrough gave a char-
ting dist party Wednesday evening.

Mrs. Ellen Poor, who has been ill for
several weeks, is very much improved.

The seniors entertained last evening
in honor of the juniors at the High
School parlors.

Miss Mayme Ballard, of Bryantville
was the guest of Miss Margaret Tom-
linson Wednesday.

Mrs. W. R. Cook, and son, Robinson,
who have been spending some time at
Waynesville, N. C., have returned
home, much improved in health.

Mr. Ben Fletcher, who has been re-
siding in New York for many years
has retired from business and bought

MAJESTIC BAKING DEMONSTRATION

IS NOW GOING ON.

We heartily invite our friends to call any day during the above mentioned week and we
will demonstrate the superior qualities of the

New Majestic Malleable and Char- coal Iron Ranges.

The majestic Malleable and steel range as formerly turned out by the Majestic people has been considered throughout
the entire country par-excellence, and far ahead of any other range made. But with the New Charcoal Iron Body in
place of Steel, making it double its value, and the fact that it is the only range in existence made of Malleable and
Charcoal Iron, you can readily see that if quality is considered, the Majestic leads by a big margin. We want you to
call at our store during this week, and let us explain this new feature--Charcoal Iron Bodies; let us explain why it is
the best material for range bodies, and incidentally, why it is not used on other ranges. We want you to call if you
intend to buy or not, as the information gained will serve you in the future.

HOT COFFEE AND BISCUITS—FREE

Come any day during this week and have buttered hot biscuits and hot coffee. Biscuit baked on a Majestic in three
minutes while you wait.

HANDSOME SET OF WARE—FREE

With every range sold during this Demonstration we will give absolutely free, one set of Majestic ware worth every
cent of \$7.50. This ware will be on exhibition at our store. Everything useful, ornamental and durable. Come in
and see it, and you will agree with us that it cannot be bought for a cent less than \$7.50, and it is cheap at that.

Come in any day, you are welcome whether you intend to buy or not

All of Them Rotten.

For a long time many thought that the Southern Mutual Investment Co. at Lexington was honest, conducted and shining improvement over the other swindling institutions that flourished so flagrantly at Lexington a few years ago, says the Frankfort Journal. But it seems that it was no better than its imitators, all of which were forced out of business and officers of same sentenced to the penitentiary, where all of them should be sent. Finally the Southern Mutual, which had continued to grow worse pulled up stakes and went to Chicago, where it was merged into the American Reserve Bond Company. It has had a hard row since going there, and now it has been placed in the hands of a receiver by order of the Federal Court, while the officials of the concern have been cited to show cause at Washington why it should not be declared from the use of the mails. All the "get rich quick" concerns prove swindlers in the long run, and wise is he who lets them severely alone. They are a fraud and a snare.

MODERN BURGLAR METHODS.

"Any square door safe in the world can be opened by a burglar in less than thirty minutes". This was the remark by H. M. Tillison, Western Superintendent of the Pinkerton Detective Agency, and—All they need is a bottle of nitroglycerine, a five cent fuse and a cake of soap".

In these days of high explosives, the methods of the old time burglar, requiring set screws, jimnies and other paraphernalia, has passed a way. Since the introduction of nitroglycerine the thief will quickly walk up to the safe, make a putty cup at the top of the door so that the nitroglycerine will run into the joint, insert a short piece of fuse with a cap on one end, touch a match to it, and stand to one side of the safe, and in two minutes the door is off. If the safe has an inside reserve chest this operation can be repeated very quickly. The burglar reaches in, takes the money and leaves in the darkness. All of this is done so quickly that the citizens have been scarcely aroused by the two or possibly three reports, and the thief and the money have gone, and in the majority of cases they are never captured.

An enterprising interviewer asked one of the thieves who robbed the Bank at Quincy, Iowa, as to what make of safe he found the hardest to operate on. He replied that it made no difference what make of safe it was if of the built up or plate construction class, and the round screw doors were as easy as any others. Asked as to why they had never operated upon any of the Manganese Safes, they replied—"That as long as there were so many old tea boxes to get at there was no use in tackling anything harder."

An article recently appeared in the February "Scientific American," touching on the ungente art of burglary, and the conclusion that they reached after investigation was that nearly all safes were vulnerable and could be opened with nitroglycerine, and that it did not require experts as in olden times, but was as likely to be a hobo as not. They concluded, however, that one form of safe—to use their words, "spherical in shape, with a spherical door"—appears capable of successfully resisting a nitroglycerine attempt of this kind, as it is absolutely air tight, and with the consequent absence of an appreciable opening between the safe and the door, the insertion of the nitroglycerine is impossible.

The Victor Safe & Lock Company, manufacturers of the latest type Spherical Solid Manganese Steel Screw Door Bank Safe, had made exhaustive examinations, experiments and tests on safes of various constructions, which have enabled them to produce the new Spherical Solid Safe with all of the weak points eliminated. This could only have been accomplished by experiments with all known methods employed by up-to-date bank burglars. These safes are not only built to afford the greatest strength, but their symmetrical form, and the special copper bronze finish used, produces a handsome effect, enabling them to be used as a splendid advertisement for the bank as well as protection.

Orders have been placed with the Victor Company for this type of safe to be used in the new Municipal Building at Washington, D. C., the first of the kind to be placed in a Government Building.

The Lancaster National Bank has just installed one of these Spherical Solid Manganese Steel Screw Door Bank Safes, and the public is cordially invited to call and make a careful inspection of same.

It is Dangerous to Neglect a Cold. How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by R. E. McRoberts the reliable druggist at Lancaster. Im

Miss Wadee Marett, of Bryantsville is visiting her Aunt Pattie Engleman.

Mrs Caille Denton, of Lexington, is the guest, of her sister, Mrs Sue Wallace.

Mrs Omer McKinney, of Lebanon, is the guest of her aunt, Mrs Margaret Argo.

Miss Sallie Adams, of Lancaster, was the guest of Miss Eliza Rucker recently.

Rev. Noel, of Stanford, passed through our place Saturday on his way to Silvercreek to fill his appointment.

Mr James Farris, who has been here for some time as one of the best tobacco men working for the American tobacco Co. left for his home.

J W Adams who has been visiting her sister, Mrs Pattie Engleman, has returned to his home in Dunbar, accompanied by Smith Engleman.

Quarterly meeting services will be held at Walnut Methodist church Saturday morning, Saturday night, and Sunday morning, conducted by Rev J P H-wes, presiding elder.

The Box Supper given by the Odd Fellows for the benefit of the Christian Church at Fairview and this place was a success as far as the supper and the amount made was concerned; they made \$47.00. But in the history of this little place it can not be said that there was ever such behavior. They showed very little respect for Brother Tindler who made one of the best lectures that has ever been made here. It was certainly humiliating to this good man to be treated in this manner. We will not call any names this time, but if the shoe fits you wear it and if you ever come to the hall again try and be a little more dignified.

Not as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened is pleasant to take. Every family should be supplied with it. Sold by R E McRoberts the reliable druggist at Lancaster. Im

Big Price.

Harrodsburg Herald.—Col. J P Chinn this year raised thirty hogheads of tobacco on twenty acres of land. This tobacco was sold last week at Planters' Warehouse in Louisville and broke all records as to price when fourteen hogheads were put up for sale. Two hogheads of red leaf sold for \$17.75 two for \$16.75 hundred. One hoghead of lugs brought \$21.50 a hundred, another \$22.50 and another \$20. per hundred. Four hogheads of trash were sold—one brought \$17.50 a hundred, one \$14.50 one \$17. and another \$21.00 Three hogheads of spuds were sold, one bringing \$11 and two selling at \$12 per hundred, making the crop average \$17.20 a hundred. The Col. adopted a method of growing this crop that was originated by a Mr Snapp, who lives on the Spillman place at West Lot. Mr Snapp made the Colonel a proposition that for \$5 an acre he would superintend his crop and if his instructions were followed strictly and he did not make him \$500 on the twenty acres he would not charge him a cent. They entered into a signed contract and the Colonel followed the method to the letter and the result was an extraordinary fine crop that brought the phenomenal and record breaking price for Mercer county tobacco that is quoted above. It was a revelation to the tobacco warehousemen and they united in saying that they had never before seen such tobacco. They say that they have tried to raise it in every manner known and have even tried it under canvas, but had never succeeded in producing such a high grade rattle. Mr Snapp, it is said, had contracts with a number of other Mercer county growers, but they failed to stand to it, and it is likely that suit will be instituted against them by Snapp. Colonel Chinn's tobacco grew very tall and he had enough seed to plant the whole Burley district.

Fortunate Missourians.

"When I was a druggist, at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong to day. One was trying to sell his property and move to Arizona, but after using Dr. King's New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Sures Cough and Cold cure and Throat and Lung healer. Guaranteed by R. E. Somerset Republican: Mrs. L. F. Hubble, accompanied by her mother Mrs. O'Neal, who is so well and favorably known here, is at Muncie, Indiana, studying kindergarten, preparing to enjoy life teaching the little ones first lessons in school. We can think of no one who has natural adaptation for that splendid field, in a greater degree than she.

A Delightful Occasion. The home of Mr. and Mrs. W. T. King, near Beuna Vista, was made merry on Monday evening, when a lovely dance was given in honor of their beautiful and charming daughter, Miss Virginia.

Mr. J. E. Ballard, of Fordwick, Va., with Miss King, opened the dance shortly after twilight to the strains of a love's waltz, and made a striking couple, both being excellent dancers.

Among others from a distance were Messrs. C. E. Black and T. P. Bonner, both of Staunton, Va., now visiting friends in Lexington. It was late when the music ceased and the many guests reluctantly said "Good night," declaring they had not spent such a delightful evening in an age.

Paint, Paint, Paint.

Now is the time for you to begin. There is only one paint for you to use and that is

Rainbow Paint

The cost of applying a cheap paint is the same as a good one. Do not be persuaded into using a paint claimed to be just as good as Rainbow Paint. There is none just as good. Rainbow paint is in a class alone and is fully protected by a guarantee.

Everything used in Painting.

FLATWOOD

Rev. A. C. Baird bought a young mare in Berea for \$125.

W. H. Furr sold E. L. Woods 5 hogs for \$5.75 per hundred.

Mr. G. C. Spangler of Crab Orchard spent Sunday here.

Rev. A. C. Baird filled the pulpit at Maywood Lincoln county Sunday.

Mrs. Doro Clouse who has been on the sick list for some time, seems to be improving.

Jesse Baird who is attending school at Berea spent a few days with the home folks last week.

The infant son of Bill Callett's whom every one thought to be dying a few days ago is recovering rapidly and will soon be well again.

Sam Hall's barn burned Friday night burning up two of his horses. He suspected that it had been set on fire and ordered a blood hound but no trail could be found.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey, of 322 Clinton St., Minneapolis, Minn., was tortured by sciatica.

The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm.

One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle effected a permanent cure. If troubled with sciatica or rheumatism, why not try a 25 cent bottle of Pain Balm and see for yourself how quickly it relieves the pain? For sale by R. E. McRoberts the reliable druggist at Lancaster.

Miss Bettie Broadbuds

NABOTH, JR.

Naboth, Jr., is a rich red bay, six years old and full 16 hands high, weighs 1225 pounds, and is a horse of wonderful beauty, having a long, rangy neck and carrying a fine rail. He is a perfect racing horse with superb all round action and like all sons of old Naboth, he has great natural speed in harness and a greater racking horse can not be found in the State of Kentucky. He has been a leader in fancy horses for ten years, furnishing them for all the markets in the country and I am anxious to encourage the breeders of horses to continue to raise better ones and to get better fancy prices. If the breeders would raise "Number one" horses they must take the pains to the right kind of sires. Naboth, Jr., beyond all doubt, is a horse that will produce that type of horses that the market demands, and for which the public is willing to pay high prices. He is the sire of a young stallion at a fancy price because he has sired, sily, speedy, action, beauty and breeding.

If like begots like you can get the right kind of horses by breeding to Naboth, Jr. You will note that this Stallion has the blood of Old Naboth, Hambleton 10, Old Messenger Chief, Red Wilkes, George Wilkes, Manbrino Chief, Pilot Jr and Harry Clay.

PEDIGREE.

By Naboth, 10016 2:15- $\frac{1}{2}$ He by Walsingham, 2166, sire of Latintide 2:19- $\frac{1}{4}$ and several others in the list. Walsingham by George Wilkes.

Old Naboth's first dam, Tinsel by Messenger Durock 106, son of Hambletonian, Second dam, Bess, sister to James Howell, Jr. by Hambletonian. Third dam, Jessie Sayre by Harry Clay 45. Fourth dam, by Liberty, son of Lance, by American Eclipse.

Naboth, Jr.'s first dam by Messenger Chief, Jr. by Old Messenger Chief. Second dam by Cr. Bay, by Red Wilkes, Third dam Thoroughbred.

Naboth, Jr. will be kept during the season of 1906 at my stable in Lancaster, Ky., and will be permitted to serve mares at the very low price \$5.00 to insure a live foal. If any mare is sent for stock from a distance at reasonable prices but no responsibility assumed for accident or escape of stock committed to my care.
